

BRIDGE OF FAITH

***There is a way that leads to life
That spans destruction's fall;
A bridge of faith for men to cross,
A way of faith for all.***

***But many have a kind of faith
In things that cannot save;
And though they hope to heaven find,
They face a faithless grave.***

***For though we trust the grandest things,
And live in noble gain;
If in Christ we fail to put our trust,
Our faith has been in vain.***

***There is but one, and ONLY one;
Faith bridge that must be crossed.
For Christ is still the ONLY way
To peace for all the lost.***
